

Services at Pury Hill Business Park

We are committed to providing excellent facilities at a very competitive service charge of £2.20 per sq ft per annum

Within the annual service charge for each property, we are pleased to supply the following services for our clients located at Pury Hill Business Park:-

- Site Security – locking main entrance gate at 9.00pm. The provision of staffed gatehouse/reception from 8am to 5pm Monday to Friday excluding Bank Holidays. Maintaining entrance barriers and keypad (although the Client shall have access to the Property at all times)
- Full maintenance and servicing of on-site standby generator for the Business Park
- Full maintenance and servicing every six months of the air conditioning and ventilation systems of the Properties
- Full maintenance and servicing of passenger lifts (where fitted) for the Properties
- Full annual maintenance and servicing of fire alarm system and emergency lighting for the properties including 4 visits per annum by a qualified engineer with a written report for each visit (copied to the Landlord)
- Cleaning of the common parts
- Exterior window cleaning on a monthly basis
- Lighting of the common parts
- To decorate the common parts and the exterior of the building as often (in the reasonable opinion of the Landlord) as necessary but no more than once in any five year period
- Maintenance of the (car park and roadway surface water) 3 stage oil interceptor system
- Maintenance of surface water drainage system including gutters, down-pipes and drains
- To maintain the state and condition of the structure and exterior of the buildings and the Plant and Equipment
- Maintenance of landscaping including chemical weeding, pruning, watering, mulching and regularly mowing all grass areas
- Maintenance of car park and access roadway surfaces including white paint marking
- Emergency provision of and spreading of salt and snow clearance from Business Park to A5 (when not carried out by NCC) for vehicle access purposes
- Provision of mains water to the Properties
- Maintenance of sewerage system network
- Maintenance of electric bio disc sewage digester
- To pay promptly all periodic rates taxes and outgoings relating to the common parts.

- To pay or contribute (as appropriate) to the cost of repairing maintaining and cleaning party walls and party structures, yards, gardens, roads, paths, gutters, drains, sewers, pipes, conduits, wires, cables and other things used or shared with other properties
- Provision of and spreading of salt to roadways and footpaths leading to main entrances of each property when (in the opinion of the landlord) is necessary
- Regular mowing of roadside verges from Business Park to A5 when not carried out by NCC for road safety purposes

“Common parts” means those parts of the Business Park that are not intended to be let.

The Landlord is to provide the services listed above, but the Landlord is not to be liable for failure or delay for reasonable periods caused by industrial disputes, shortage of supplies, adverse weather conditions, or other causes beyond the control of the Landlord, provided that the Landlord will at all times ensure reasonable endeavours to provide such services.
